Remove players from your group by clicking on the [X] next to their name. Add partners to the list by typing their name in any of the 'Find Partner' boxes above. Note: A maximum of 40 players can be added to this list.

Sav Giglio X Ian Probst X Robert Henley X Robert Naffin X

Bookings by MiClub

The logged in member will appear as the first player in the group.

The other members can be edited as needed for each booking

NOTE: Edit your Default Playing Group before each booking if the group will differ from that used in the previous booking.

Remove players from your Default Playing Group by clicking on the 'X' next to their name.

NOTE: When a playing partner is deleted from the 'Default Playing Group' they will be added to the saved playing partner list.

When deleted from the Playing Partner List they are deleted from your saved list

OPTION 1: Select a player from the Saved Playing Partner List

Add partners to the Default Playing Group by selecting a player from the Saved Playing Partner List
