

Add Players to Your Group Booking

If you want to create a group booking but want to manually select which players are in your group.

Login to MiClub and navigate to Members Home > Bookings > Date & Course

Select the Tee time for your booking

Left Click **'BOOK GROUP'** to make a group booking for your pre-selected or customised group

A confirmation option will appear

Left Click 'NO' to go to the 'Select Partner' input screen

You will be prompted to confirm the playing partners or search & select new playing partners

Left Click 'X' to cancel this function without making a group booking

You will be returned to the 'Bookings' selection screen

Select Playing Partners (If NO was selected in the previous screen)

Select anything up to 3 players from the Saved Playing Partner List by ticking the boxes

Search for Playing Partner

Alternatively, manually search for playing partners using the 'Find Player' function

You can search for 1-3 playing partners to make up your playing group

1. Left Click the 'Find Player' search field
2. Enter the surname of the player
3. Select the player if more than one option is presented
4. Left Click 'Confirm Booking' button to confirm your selections and create your playing group

You can add a guest as a playing partner by using the 'Add Guest' button. NOTE: You will need to know the guest full name, GolfLink number and playing club to complete a guest selection.

DO NOT add a guest to NAGC competitions where guest participation is restricted or limited.
